

Daily Lesson Agenda: Language Arts

Today's lesson plan.

- **Complete Sentences**

Define how a sentence is formed. Discuss examples of complete and incomplete sentences.

- **Thinking Skills Activity (Think A)**

Work through the activity together. Explain why each sentence is, or isn't, a complete thought.

- **Writing Skills Activity (Write B)**

Show students how to unscramble words and rewrite them in the correct order. Reread each sentence aloud to check it's correct.

- **Spelling Review**

Review this week's spelling words. Explain each word and use it in an example sentence.

- **Independent Work**

Students write the correct spelling word under each picture, then circle their favorite spelling word.

- **Testing: Sentences II (Think A & Think B)**

Students complete the activity sheet to review and test the skills just learned. Read the questions aloud and let students answer independently.
